Forecast for Friday 26 Aug 2022

Weather: Clear spells overnight with a few showers near the west coast. Chilly in sheltered glens with a few mist patches. A mainly dry day with sunny spells but some thicker high cloud towards the Great Glen. The odd light shower will affect ranges near the west coast.

Chance of cloud-free hill tops above 800m: 90%.

Low cloud and visibility: A few mist patches in the glens at first, otherwise excellent visibility with any cloud above the summits. Brief reductions near the west coast in any showers.
